All EmBark handouts will be available virtually so that they are accessible via screen-reader. Let us know if you need access to virtual versions of the handouts by emailing orient@unca.edu. We have also converted the 1927 meeting room on the 2nd floor of the Highsmith Student Union into a sensory room that will be open during all EmBark sessions. Please take the initiative to take a break in the sensory room if needed. Ask a member of our team if you need help locating this room. Physical Accommodations: If you need help getting anywhere on campus during EmBark, please let your Orientation Mentor or one of our Professional Staff members know and we can transport you to your destination via golf cart.
